

BAKING DAYS

Spode®

Baking Days is a striking collection of tableware, cook and serveware. Mix and match the colours to create a bold statement or choose your favourite colour. This collection will brighten up the home and add a touch of fun to everyday dining. Each piece is suitable for use in the dishwasher, microwave, freezer and oven, making this range ideal for everyday use.

Blue is always a popular colour and in the case of Spode, it is irrevocably linked with the company's most successful ranges. Therefore, new to Baking Days and perfectly on trend for 2010 is the Dark Blue colourway. This range of tableware and cookware will mix and match with the rest of the range colours or stand confidently alone.
